

Viña Zorzal Garnacha 2021

VIÑA ZORZAL WINES, which has just celebrated its 30th anniversary, is located in the heart of Navarra's Ribera Baja region, in the centuries-old village of Corella.

VIÑA ZORZAL GARNACHA 2021. Our garnacha vineyards are in four different villages with different quality factors: Bush vines with different altitude, climates and soils. The wine is the result of a clear commitment to respect our tradition with local grapes such as Garnacha, and a concern for the environment through the use of organic production techniques. This is the product of two generations of the Sanz family's profound knowledge of what their land can produce.

WINEGROWER&WINEMAKER: Mikel Sanz & Julio Prieto, Javier Colio & Jorge Navascués.

HARVEST: 2021

It is a complex vintage, marked by the last month in harvest, there were almost perfect conditions until September, when torrential rains complicated matters. Sorting, selecting, and discarding grapes was key, after this, surprisingly, we are facing one of our top vintages ever.
