# GIFTING

## CATALOGUE

Hey, I'd like to invite you to take a look at my gift catalogue for 2023...

My aim is to always offer top quality niche products with an efficient service regardless of the budget. Being a niche wine business some of the boxes here are very limited so don't leave it until the last minute!

Each box or collection is chosen with a theme in mind, whether it is the estate, the style of the wines or the country of origin; but what they all have in common is the high quality/price ratio they all offer and that they're all exclusively imported in Malta by Holy Wines. You may also pick and choose from my range of wines in order to create a customised box. Same applies for my limited but prestigious range of food items which are supplied in very small quantities. Just drop me a line if you wish to customise your order.

Each year the range of organic, natural & vegan options are always on the rise & this year, most hampers will also be packaged in custom made wooden boxes! In my bid to be more sustainable, these boxes are made from the wooden pallets the wine is shipped on to my warehouse. Gift wrapping, tags with personalised greetings and free delivery to Malta are all included in the displayed prices. An extra charge for deliveries to Gozo is calculated on weight. You may choose to have your ordered gift boxes delivered to one location, or have them delivered directly to your recipients at no extra charge. All prices are inclusive of VAT.

Just send me your order on [adrian@holywines.com.mt](mailto:adrian@holywines.com.mt) or call me on +356 7953 9865 to discuss further options.

Revolut, cheques, internet banking transfers, BOV mobile payment, contactless card payments & cash are all accepted payments. I also offer gift vouchers for €20, €30 and €50 should you have trouble choosing.

A hug is the perfect Christmas Gift, but a box of wine is surely the next best thing.

xx
